With such kennel license the Clerk-Treasurer shall issue a number of tags equal to the number of dogs authorized to be kept in the kennel.³
- C. Kennel license tags shall be made in a form so that they may be readily distinguishable from the individual license tags for the same year. The licensee of a kennel shall at all times keep one of such tags attached to the collar of each dog over five months old kept by him under a kennel license. Such tags may be transferred from one dog to another within the kennel whenever any dog is removed from the kennel. No dog bearing any tag shall be permitted to stray or to be taken anywhere outside the limits of the kennel unless he is in leash or temporarily for the purpose of hunting, breeding, trial or show.
